BROWN UNIVERSITY  
PROVIDENCE, RHODE ISLAND

May 20, 1929.

Professor Dr. Adolf Erman,  
Peter Lonné Strasse 36,  
Berlin-Dahlem, Germany.

Dear Professor Erman,

The Chancellor of our University has received the first six parts of your great Wörterbuch der Aegyptischen Sprache. So far he has received only 16 pages of the "Belegstellen" and these were issued with part 1. Have other parts been issued? If not, when are they to appear? Is the main part of the Wörterbuch to be completed in 4 volumes? The Chancellor asked me to raise these questions on his behalf. His two volume work on the Rhind Papyrus will probably be published next December.

Sincerely yours,

R. C. Archibald
