Prof Ad Erman

Dear Sir:

In your very complimentary letter of March 31st, you suggested that if I did not hear from you in the course of a few weeks, I should remind you of the fact and as it is now 8 weeks I venture to write to you again. The subject was a re-trans-

lation of certain passages of the
Papyrus Anastasi 1st of which
M. Chabas expressed himself
as doubtful and - which you
were kind enough to say that
you would send for to

Prof Sethe of Göttingen and
re-translate for my benefit

Very truly yours

J. W. Barber
