Dear Professor Oman.

Will you give me per-  
mission to publish the  
"Akademie" photographs of  
Biga in my publication in  
les Temples immergés de  
la Nahr. Dr. Junker is  
helping me with the text. He  
told me to apply to you for per-  
mission.

Believe me

Yours sincerely (

Alfred W. Blackman.

My camera supplied by the Dep<sup>t</sup>  
of Antiquities failed me so  
had to borrow a smaller camera  
that was not successful. I therefore  
am not anxious to be allowed  
to use the Akademie  
photographs which are so  
excellent.

I had a successful season for the  
Archaeological Survey at  
Meir. I have some good photo-  
graphs, <sup>copies of</sup> inscriptions & a lot of  
drawings.
