August 9.

Dear Professor Erman.

I believe Mr. Suffitt told you
I should like to come to Berlin
this summer & work for you on the
Dictionary. I regret I cannot
manage to do so this year. However
I hope to do so next spring or early
summer.

In the mean time however I should
like to do anything I can to help.
I have ^{lately} read a fair amount

of Edfu Texts & also M.K. &
~~Book~~ Totenbuch. Also some Denkmal,
I have studied Junker's Grammatik
der Denkmala Texte pretty carefully.

I am much interested in the Religious
Texts. ~~Prof~~ Professor Steindorf
is publishing some work of mine
on M.K. Coffin Texts in the Zeitschrift.
I am preparing some more.

Could I do some work for the
Dictionary on the Totenbuch, or
on Ptolemaic Religious texts?

If you were to send me a sample
of the work & the way the various

ships are written I could do work
Here, ^{in England} I would do any work you
might choose, preferably however
Religious Texts. I could no doubt
secure the required volumes, ^{or} borrow,
or purchase them if not very
expensive.

I understand that not much work
at present has been done for the
Dictionary ^{on} ~~the~~ the Toton book. I
Lately have Rodemonte's Edipe
here and at present reading through
it. A good deal seems interesting.
If I can do any thing I shall be

delighted to do it. One does yet to
know the Texts so well if one
prepares them for the Dictionary.
Will you accept the accompanying
articles?

I am

Yrs faithfully

Aylmer A. Blackman.

If the religious texts in the Trinkend
are not yet done I have ~~also~~ all
the vols. at present published & also all
Settes Pyramide Texte.
