[Biggs]

of prices, they seem unwilling to  
take orders for German books -

I would greatly appreciate your  
courtesy if you will suggest to

Reuther & Reichard that they quote  
me a price on that book and also  
on the Sitzungsberichte der Berliner-  
Akademie 1911, which contained your  
monograph "Ein Denkmal von pharisäischer  
Theologie".

In America we do not consider  
any Handwritten of value in  
Egyptian, except yours and I and  
several friends are extremely anxious

forget copies -

you will indeed confer a favour  
on some young students if you  
will assist us in this regard -

Thanking you for your country -

Sincerely -

wörterbuch" - 1921 - . They do not answer.

I have tried to buy the book also  
through American booksellers, but  
on account of the fluctuations
