December 16 1922

Dear Sir

From whom may I obtain a copy of your
"Ein Denkmal von pharisäischer Theologie"
quoted both by Breasted + Boylston?

In our libraries here I can find no books,
articles, nor references to any serious
study of the god Ptah, similar to that done
by Boylston, of Thoth, other than short citations
in your Egyptian Religion + Budge's God of
Egypt. If such exist I would appreciate
your great courtesy if you could give me
a suggestion where + what they are.

I am seeking to make such study as
indicated above + your advice will be
greatly appreciated by a young scholar of
Egyptology -

Yours truly
Anita Uarda Briggs -
