Prof Dr & Emma.

Dear Sir, - Your delightful letter containing the photographs of our aged friend arrived here yesterday. I cannot express to you my appreciation of your continued kindness.

It will be a pleasure to me to keep you informed in regard to my self and wife.

Everywhere that I have been many delicate attentions have been offered me but among all the pleasant memories of Europe the days I spent with you in your Museums and the charming evening in your

own home will stand out as
especially memorable.

These photographs, as you say
are not equal to the original yet
they are of priceless value to me.

If you will send me
the name of the photographer
I shall be glad to acknowledge to
him my appreciation of them.

With greetings to Mrs Egan
I subscribe myself sincerely and
gratefully

Your young friend
Samuel M. Cohen.

your favor will stand out as
especially memorable.

These photographs, as you say
are not equal to the original but
they are of greater value to me
If you will send me
the names of the photographers
I shall be glad to acknowledge
their my appreciation of them.

With kindest regards to Mrs. Brown
I remain, my dear friend,
most faithfully,
Yours truly,
Green Young
