Dear Frau Erman

I suppose you have been home again some time now & I hope are feeling very much better for the cure at Karlsbad - Do let us know how you both are & if it was a success - I have not been very well myself, & have written few letters in consequence. I had a sort of break down just after we'd started on

the final stage of the Diet:  
I was obliged to give up work  
for some weeks - We are at  
it again now, but I only  
work in the morning & rest  
a great deal. I had hoped to  
be a tower of strength by now,  
it's very disappointing. We  
had a beautiful summer here  
& my garden was a great  
joy - Now it is all being  
dug & manured & bulbs put  
in for the spring, I have two  
bushes of roses - the last I think,  
& some michaelmas daisy &  
crysanthemums, otherwise  
it's glory is over - I do hope  
you will be really better this  
winter. Yours ever aff.  
Wm.
