Dear Prof. Ermau

This very good of you to write to all the signatories, and I fear will give you a lot of labour. We did write to each ourselves, expressing your thanks. I enclose the list of addresses, & added Sir H. Thompson, tho' I dare say you knew it already, as also N. Gardiner's -

Budge, as you probably know, died about a fortnight ago, and M.H. Davis is me, so doesn't need a

letter.

Walter is improving steadily now & working 2-3 hours a day, but I shall try to prevent his doing more for some time to come. We've had an advance copy of our Part IV so that will be out in a day or two, a Part V is advancing, but of course slowly, owing to his illness.

I hope you are both keeping well. We greatly admire your Egyptian Religion. I read it first long ago in Miss Griffiths translation.

Love from us both to you both
Yours always. M. Bruce.
