Hr. Professor Ad. Erman  
Berlin.

Sehr geehrter Hr. Professor!

Wie Sie von dem beigefügten Empfehlungsschreiben von Herrn Professor Vald. Schmidt sehen können, habe ich mich letzstens mit dem Studium der altägyptischen Medizin beschäftigt. Besonders habe ich die Bedeutung der ägyptischen Krankheitsnamen und Medikamente zu bestimmen gesucht.

Es würde natürlich von grosser Bedeutung für diese meinen Studien sein alle die Stellen, wo die einzelnen Wörter erwähnt sind, genau zu kennen. Darum würde ich Ihnen sehr dankbar

einem Artikel ("Beiträge zum Studium der  
altägyptischen Medizin", in Norsk Ma-  
gazin for Lægevidenskaben, April 1921)  
über die Krankheiten  und  
 zu senden.

Mit grösster Hochachtung.
