Dear Professor Erman,

Your most kind  
answer to my request came  
a day or two since - and I  
thank you most heartily - It  
is a delightful quotation you  
have given me - and I have  
already begun to enlarge & paint  
it for framing - It will be  
of great service to my students,  
and I am more grateful than  
I can tell you - I know it  
was a great deal to ask - that

so busy and great a man  
should take time to read such  
a thing for our College - I should  
like to have your kind answer  
itself - which it is such an  
honour for us to have -

I wish very greatly that  
we might have the still further  
honour of a visit from the  
great Egyptologist - Is it  
not possible that you may  
visit Constantinople some  
time, (on your way to Egypt  
perhaps) and that then you

will do us the honor of visiting  
our College in Scotland - and  
letting us have the privilege  
perhaps of showing you some of  
the sights of the city?

With very very hearty thanks  
I am yours sincerely
