POST CARD

Herrn Geheimrat Profenn Erman

Dallem bei Berlin (Peta-dennösti
36)

Germany

Dear Professor Erman. — I was
extremely pleased and happy to have
a postcard from you this morning.

I wrote a long letter to Sethe about two
months ago and sent messages to you and to
many other friends of mine in your country, but I fear it
cannot have reached him, as I have had no answer. Heddie
and the children and myself are all well and spending a
happy holiday among the mountains of North Wales. I do
hope that all of you are well; very kindest greetings from
all of us to Fran Professor and the rest of you. I hope you
saw the brief notice of poor Peter which I wrote in *Journal of
Egypt. Archaeology*; we were very deeply distressed at the news.
I have received from you only the report of the progress of the Dictionary,
where you speak most kindly of my work. I shall have a good deal
to send you when I am assured that the post is safe again. At present

Griffiths and Davies' are well, but I have not seen
or heard of Brylan, whom I barely knew.

Min Woodward is, I believe, very frail and ailing. I have
