OFFICE OF THE
DEAN OF STUDENTS

Dear Professor Erman.

I cannot tell you how often I have thought of you and your good wife and children during the days that are past. And now the stories of privation that are coming out of Germany are heart-rending. I wish that I knew precisely how I could best be of service to you and help in the present circumstances. Perhaps you can suggest a way.

There is one item which is essential in any case, and that is your house address. There is an agency here through which food packages can be forwarded, but the address of your home has to be inserted.

I shall also be glad to know what Dr. Steindorf's address is in Leipsig, and to hear how things are going with him.

Please give my best regards to die Frau Gemahlin and to the Kinder. I do not suppose that they will remember me, but I do them.

Yours very truly

Chas R. Fiecht
