DEPARTMENT OF
EGYPTIAN AND ASSYRIAN ANTIQUITIES,
BRITISH MUSEUM,

LONDON: W.C.

18th Nov. 1930

Dear Professor Erman,

I am afraid you will
think me ungracious and discourteous for
not answering your very sympathetic letter
about Hall before this. The reason for my
delay is that I sent the letter down to
the Secretary of the Museum to be shown to Sir
Frederic Kenyon. Sir Frederic was away and
the letter remained there till his return,
when however it was very much appreciated

by him, as it has been by myself and
my colleagues in this Department.

It has indeed been ~~one of~~ our chief
consolation, for the loss of a chief who
endured himself by his personal kindness
as much as he inspired by his training,
~~that~~ to find that both sides were
so fully appreciated by his friends and
colleagues in Germany. And nothing
would have pleased him more.

With kindest greetings and
again many apologies for my rudeness,

Yours sincerely

Glanville S. Pitt. Ranville
