HILL VIEW,

KINTBURY,

HUNGERFORD.

Dear Professor Erman,

Professor Griffiths' book is nearing completion,
and though it will not be published till August 1st,
a copy will be ready, we hope, to present to Griffith on
his birthday, May 27th.

For that purpose Dr Robert Mond is
giving a luncheon at which the presentation will be made,
and if it were possible we would very much like you to

be present to represent German Colleagues of Griffith.
But I am very much afraid that you will not feel able
to accept the invitation. If this is the case would you
be kind enough to forward the card - for which reason
I have not filled in the name - to one of your Colleagues,
if you know of any who in these difficult times would
care to ~~come~~ and could afford to make the long journey
for so ephemeral a purpose?

With kind regards

Yours sincerely

S-R-K. Parvillie
