Beaumont House Jerusalem.

22 Dec 1934.

Dear Prof. Brünan,

It was with great pleasure  
that I signed the address to you, as  
being one of the men whom I respect  
most in Germany.

I have now returned from 7 weeks  
of travel in an omnibus all over  
Egypt looking at sites for excavation.  
Hope to work there next year, to  
seek the connection with the fine  
faience pottery and gold work, which  
was imported to Gaza.

You & I are two of the Old Guard, both  
now 81.

Yours ever sincerely,

Thuders Petrie.
