I am hoping to be working
in the tomb of 
before the end of the month; &
have quite as much waiting men
at the Royal Tombs as I did
last year. I hope that the few
pieces we could fairly spare for

Berlin were not thought too
mean by Erman. If he will
regularly subscribe and take his
chances he will get his regular
share ~~regular~~ yearly. Cannot he
beat up 20 or 30 annual sub-
scribers in Berlin? Each would
get their value in books in any case,
& that would make a claim for
things for the Museum also. I think
Royal Tombs is a good lump for
20 Marks. I hope to have out the
history of the prehistoric "Diospolis"
next spring, and Royal Tombs
by the Exhibition in July.

Yours very sincerely

J. M. Flinders Petrie.
