Dear Professor Erman,

The Philae photographs of
the Demotic Inscriptions have
arrived to-day, & I must once
again thank you & the Akademie
for their kind permission to
publish them.

The volume is actually
in the Press but it will be
a very considerable time yet
before it is published.

I hope you & Frau Erman
are both well. I wish it

was possible for you both to pay
me a visit here.

With my kindest regards

Yours very sincerely

Hon. Griffette

P.S. If by any chance you & Frau
Erman would like a photograph
of my husband I shall gladly
send you one?
