Dear Professor Ermann,

I am very grateful to you  
for the copy of the Gedächtnisrede auf  
Kurt Sethe which you have written for the  
Akademie. You must be proud to  
have taught such a pupil, & to have seen  
how much he accomplished. But it  
is with profound sorrow that we learn he  
left his work unfinished, & the  
sorrow is all the keener when we  
learn he had some warning that  
this might happen. I have just  
got the first of the posthumous  
volumes which has appeared. One just

it on its shelf with the sad knowledge  
that he himself would have given much  
to bring it out himself.

Again thank you very much.  
I trust by now Vol. II (the Plates)  
of the *Dodecaschanus* has reached  
you safely.

My warm regards to you both.

Yours sincerely

Wm. D. Griffiths.
