It is good news that Taira's tomb
has been found. I had not heard
it.

If you care to put the notes
on the Schiffbrücker in ÄZ. I shall be
delighted. Whymt had probably better
be omitted? also the restored
hieroglyphs in L¹ 73-74, but the
suggestion of a lost ~~sentence~~ passage
there might be retained? Kindly
advise and what you think should
be omitted.

I hope the patient is better. I am
much gratified to hear of her accident
I have had a most interesting week on
the Tombs of Saphantine etc. with Miss Porter,

for the Index. The Index will require 18 months more!
