Dear Friend,

It is a long time since I have written to you, and I have not told you my important piece of news that I am engaged to be married! The lady is Miss Macdonald who has been ~~studying~~ with me here for some time and helping me with my work on Meropit.

I hope to be in Berlin the second half of September and I shall thence go on to Egypt.

September is I fear a bad month
to find Professors in Berlin and
I shall perhaps not find you in
your new house. But my programme
this year is a strenuous one and there
is no other time for it: And Schäfer
tells me he will be available at any
time. But perhaps you will have returned
before I leave.

I was delighted with your kind
letter about my Catalogue. I hope it

may be really useful, but I am always
finding something wrong in it!

With kind regards to Frank Broman
and to Doris

believe me

Yours very truly

F. H. Suffern
