Dear Professor Erman,

I write to enquire whether it is still possible to obtain the series of photographs relating to Foreign peoples. I should very much like to possess a series of the prints. I do not know whether the photographs of the Nuhari Expedition were ever on sale, but if they also were obtainable, I should try to purchase a set.

Pray let me know if there is anything that I can do for you here.

11. NORHAM GARDENS,
OXFORD.

It would be a particular pleasure to me
to return some of the kindness that
you have always shown to me under all
circumstances and which I have
valued very highly.

Yours very truly

F. H. Griffith.
