London S.W.3.)

29 June 1924.

My dear Professor Erman,

We are in London arranging the exhibition of the Tell el-Amarna finds, and are busy all day as you may imagine. But I have found time to read your paper in the Sitzungsberichte, of which you were so kind as to send me a copy, and I write a line to congratulate you most warmly on this first-rate discovery and contribution to Biblical criticism. It is really splendid. Many thanks for letting me have it so speedily!

Yours very sincerely

J. H. Siffith.
