Dear Professor Eрман,

At last you will see the first-fruits of your suggestion of thirty years ago! I am sending you a copy of the first volume of our Bibliography!

My wife and I much hope to hear that Frau Eрман is recovering her strength, and that eventually you will write that you are both to come in August!

We are working on the Nubian squeezes whenever possible and some results are coming out both for 'Merotic' and for demotic.

With our heartiest greetings to yourself and Frau Eрман

Yours very truly

F. H. Griffith
