OXFORD.

Dear Professor Erman,

At last we are at home after seven months in Egypt and the Sudan. I have a good quantity of new information about Philae graffiti, and I have undertaken to excavate two temples at Kawa (Gem-Aton) opposite New Dongola, next season.

The seventh instalment of the Wörterbuch is before me: congratulations on its progress and many thanks for including me amongst your beneficiaries!

I have read your *Leben und Werke* with great interest, and enjoyed you

poetry and stories!

With an united kind regards and  
greetings to yourself and Frau Erman  
ever yours

J. H. Griffith
