Dear Professor Erman,

I have just received, with the greatest pleasure, the last part of the Wtb., and write at once to offer you my most sincere congratulations on the completion of this first part of the great scheme, and to wish for you strength and courage for the further work you have undertaken.

I have several good pupils now whom it is a pleasure to instruct. After Dec. 1 our address will be ~~Bo~~ Sandridge, Boar's Hill. The new house is a good one with very fine views from the windows to the Buckinghamshire and Berkshire hills. We shall be near neighbours of N de G. Davies, Sir

ARTHWUR GARDENS.
OXFORD. TELLS. AT

Arthur Evans, and R. Campbell
Thompson who is digging at Nineveh.

With kindest remembrances from us
both to yourself and Frau Drman

very sincerely yours

J. H. Griffith
