ST-RAPHAEL

Dear Sir
Many thanks for
your kind letter saying
you would have looked
over my Dr. S. had it not
been for your great eyes
I am very sorry to hear of
sad a cause for putting you
down so & I hope your eyes
will soon recover. As you
do not say you disapprove
of my Dr. S. or anything

against using it, I
suppose I have your kind
permission to put the
chapter in my book -
it is merely a short epitome
of your Ancient Life in Egypt
& I have also put in your
Life of Wilkinson & others. but
principally from you. May
I ask you to send me
your approval & that I
may acknowledge my

indubitably to you in my
journal as I have that of
Professor Peters, Lam Poole etc.
We shall be here another
week so that an answer
will find me here still
I am sorry to trouble you
again but I should feel
more satisfied

Believe me

Yours sincerely

Margaret Aubert
of Hartney
