Dear Sir 813/1.06.

I have undertaken to edit a new Dictionary of Religion. It will be on a large scale and abreast of modern scholarship. The leading scholars in this and other countries will contribute the articles. I have already received an article on the Religion of Ancient Arabia from Prof. Dr. Höldeke of Strassburg; and others who are at work are Profs. Goldziher, de Soeje, Zimmern,

G. Schrader, Poussin, Pinches, etc.  
The Dictionary will be published  
both here and in America.  
The remuneration will be  
at the rate of £1 per page,  
and the publishers will  
also pay a capable translator.

Is it agreeable to you to  
write an article on Marriage  
among the Egyptians? I wish  
Adultery done separately, and  
I shall be much obliged if  
you will write that also. If  
there are other topics which  
you are prepared to write, I  
shall be glad if you will  
name them.

Yours very sincerely,  
James Hastings
