My dear Erman

Would you be so very kind  
as to send me as soon as  
possible a few words expressing  
your opinion that I am a  
suitable candidate for an Egyptian  
Studentship at Worcester College  
Oxford - This studentship has  
just been founded "for the

THE ATHLETIC

W. S. LEAVELLE

purpose of encouraging the study  
of Egyptology or other cognate  
Oriental linguistic subjects "

& Queen encourages me to be  
a candidate, although I am  
an aged person of 50 years

Happily there is no limit of  
age & nothing but steady  
requirement therefore I am

eligible & I venture to ask  
you to write a few words  
in German to say that my  
studies may prove helpful to  
the science of Egyptology -

I will write a better letter in  
return for what you may send

Yours  
lover yours

G. Hornes
