Beantw.

THE ATHENÆUM,

PALL MALL. S. W.

December 28. /90

My dear Eoman

Accept my best greeting for
Christmas & the New Year -

Crum told me that you had referred
to the word $\lambda\acute{\epsilon}\xi\iota\varsigma$ in one of your
recent publications & that you had
said 'I leave the explanation to
liturgical scholars' -

You will see that Brightman in
his 'Eastern Liturgies' published last

THE ATHENAEUM

PALE MALLS W.

Year gives the word in his glossary
 He assigns more than one meaning
 & I am now writing because I have
 just found an illustration of one
 of those meanings, which may interest
 you -

In Tuki's Etchologion Vol 1. p ΤΚΒ
 there is the following direction printed

thus

Ὡς ἐβόλ ἡδέτι Αρχιεπισκοπος
 οτογ εκ†στατρος κατα λεξισ.
 ερετι λαος οτω γε μμογ χε
 ΔΜΗΝ.5.

Then follow the ^{the} words (δέξις) which
the Archbp. speaks (as he makes the
sign of the cross), and the response

e.g. 1. ΟΥ ΜΥΡΟΝ ΕΥΘΑΒ : ΔΜΗΝ.Σ.

14. ΟΥ ΒΕ ΕΝΕΡΓΙΑ ΝΙΒΕΝ Η ΔΙΑΒΟΔΙΚΟΝ :

ΔΜΗΝ.Σ.

Here, mainly, the δέξις is the

vericle as opposed to the reparis
or response.

I hope that your eyes are not
giving you much trouble & that
all your important work is
progressing favourably -

Here is Budge's last published
Catalogue of the Mummy Rooms
if you have already received
it perhaps, Dr Schäffer or
the learned Sethe might like to
have it - I have sent one to
Steindling at his request -

With my best remembrance
to your family

I am

Yours very sincerely
G. Hornes
