My dear Erman

(by book post today)

Here is the Emancipation source

I am afraid that you will not  
be able to read it - Send it  
to Steindorff if it is of no use to  
you & let Frau Erman kindly  
send me a card to say that  
you have passed it on. If I  
hear nothing I will get Steindorff  
a copy - At present only three

Copies have been given me - One  
of these three I have the privilege  
of offering to you & I do this  
more readily because I feel that  
I disappointed you so grievously  
by not coming to the Congress  
with a paper - It was pain  
to me because of disappointing you  
my good friend, & also because I  
wished to show my good feelings  
towards your fellow countrymen in

general - I beg as strongly  
as possible that I was not one  
of the Englishmen who were kept  
away by national animosity

With my best remembrance  
to Frau Orman & your  
children I am

yours very sincerely  
G. Homer

General and up as things

is possible that I can not see

of the importance also more than

any of the material. However
