QUOTE _____

April 26. 1922

Dear Prof. Erman

One of my students, who is specialising in hieroglyphs, wishes to spend his summer holiday in Berlin so as to consult the Dictionary & work in the Museum. Would you be so good as to tell me how he can do this? He is in a Government office so his time as well as his means are limited. He has about three weeks holiday in, I think, August; & wants to come direct to Berlin & work there the whole time. If you could tell him not only ~~about~~ how to apply for permission to use the Dictionary & work in the Museum but also give him some advice about a place to stay in, you would be doing a great kindness.

Believe me

Yours sincerely

Dr. A. Murray
