Dear Prof. Erman

Again I write to you about one of my students. This time it is Mr Henri Frankfort, who is taking one of the higher degrees at this University, after having taken his Bachelor degree at his native university of Amsterdam. He has to write a thesis for his degree, & the subject is "The connections between Egypt & the Eastern Mediterranean, with special reference to pottery." I shall be greatly obliged if

you can give him some help in
his studies.

Yours truly

M. A. Murray
