Erman

Dear Sir, will you be kind
enough to inform me, whether the
ms. ~~can~~ about the "Mendospasticile"
can be printed in ~~the~~ ~~English~~
~~the~~ August or somewhat later? I am
going to revise it and having received
through the kind help of Mackay, some
parts of inscriptions of Kermis and Puy
I hope to improve it considerably. Will
you find it kind and to charge itself
with the revision of the 2nd of Philippi's?
Did I tell you that Engelman
now has accepted the ~~change~~ ~~ms.~~
~~for~~ large ms.? It will be hard
work to draw all the illustra-
tions, to revise the whole and to
correct the proof-sheets but after
some months I hope to be ready
for the accomplishment of this
for Prof. Sharp wrote very amiably
and seems to be in good health.
Hoping that you and your
family are in good health
yours very truly
