Queen Anne's Mansions,

London.

St James' Park. S.W.

July 29. 79.

Dear Sir

I must apologize for  
having been so long in sending  
you the copy of my Guthrie  
Catalogue: but I had no copy  
myself, & it took some time  
to procure one. It did not  
occur to me that the Karnati  
coin was a cast: but you are  
doubtless right. I should be  
glad if you could suggest  
any interpretation of the

inscription *Al guals* beneath  
the further *Medaillon*  
*impossible*? I am quite  
certain that the Calvert  
Mughal coins offer different  
inscriptions from yours.

The 4th volume of the  
British Museum Catalogue,  
containing the *Fatimids*,  
*Ayyubids*, & *Mamluk Sultans*,  
is already printed, & will be  
published in October. Vol. 5  
is also in progress.

Very truly yours

Stanley Lane Poole
