9 July 1884

Dear Dr. Erman,

I am
truly rejoiced at the
news of Dr. von Sallet's
appointment.

Your letter is
full of interest. I look
forward greatly to the
Arab Catalogue, as well
as to find two works on

ancient Egypt. We
greatly want the altägyptische
Grammatik with a good
definition of the verbal
forms and especially of the
tenses. It might be
worth your while to consult
Prof. Driver on the 'Hebrew
Tense' for he deals with
a parallel difficulty.
Of course I am merely speaking

of the logic of grammar.

In Culturgeschichte is a
splendid subject, and
much needed to correct

Wiedemann and others on

many points and give us

about all the source of

much Alexandrian and late

Greek & Roman culture.

As to my work I may
like to know that W.

Beard's Catalogue of Central

The printing of M. Terrien de la Caupère's 'Cat. of Chinese & Siam Legations
Nisi
Summer.

From will appear daily,
Professor Sutherland's of the
Sinhalese Kings of India is
ready for the press, my
Nephews' (not sons) Catalogue
of the Patans is nearly
printed, also my own
Catalogue of the Tribes
of Russia, while W. Kearney's
Catalogue of Anglo-Saxon
Coins is complete in MS
and under revision.

Ray writes to me as 'dear
W. Poole'. Yours sincerely Richard Stuart Poole.
