Dear Professor Erman,

I shall
be very happy to attend the
historical congress in Berlin
in August 1908, and to
prepare a short paper on
the royal tombs of the 4th
dynasty. I would prefer
however, if you will permit
me to give ~~an~~ equally
short paper on the development
of ^{the} grave structures of the first
four dynasties and their
importance for dating
archaeological material. The

a preliminary report to Dec. 1. will
be out about Jan. 15. The will be
a report every 2 months during the winter
called "the Bulletin" and a detailed
Annual Report.

Mrs. Reiman and I both forward
to seeing you all again, and to being
in Berlin after an absence of five years
in her part.

With sincere regards to Mrs. Eiman,
I remain

modify my subject in this way,
will you kindly let me know
how many minutes I may
have and whether illustrations
with lantern slides may
be used.

The Arabian Survey goes
very rapidly. We are now
on Dec. 17 having dug
and recorded some 3000
tombs, including a cemetery
of Philae priests (Graeco Roman)
and several predynastic
and early dynastic cemeteries.
