Dear Professor Erman

Thank you very much for your letter, giving permission for me to quote numerous extracts from your versions of Egyptian texts in my book on daily life in ancient Egypt. I shall, of course, be careful to insert a note wherever such an extract occurs, saying that it is from your book. I shall also ensure that my publishers obtain permission from the publishers of "The Literature of the Ancient Egyptians".

With very many thanks, and kind regards,

I am

yours very sincerely

Alan Shorter
