Dear Sir,

I would be very glad to hear if you are willing to grant me the translation rights of your little work "Die Hieroglyphen" in the "Sammlung Goschen".

The translation is already made and I have asked Miss Murray of University College to read it through.

In the event of the translation being published, perhaps you would be so kind as to write a foreword.

I may add that I hope to visit Berlin with a fellow student at University College, Mr Falkoner, early in July when I should be glad to meet you if it can be arranged.

Yours very truly,

R. W. Stoley M.A., B.Sc.
