My dear Colleague:

Thank you for your kind letter of May 5. We appreciate every expression of cordiality toward our project of painting Professor Breasted's portrait. We know that he will be glad to hear that his old friends are interested in the success of this enterprise. I would say further that we are fully aware of the difficulty which you are experiencing in sending money out of the country. For that reason we welcome your letter of good will as a real contribution to the spirit of our project.

Professor Breasted's seventieth birthday will fall on the twenty-seventh of August. I am sure that he will welcome a letter from you at that time.

With all good wishes,

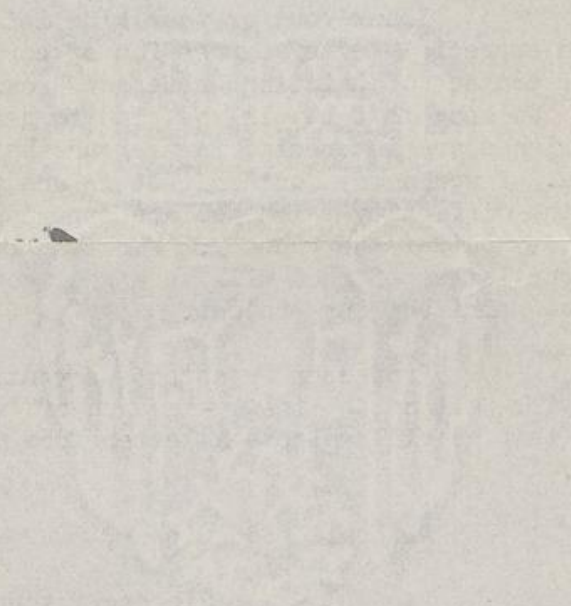

Sincerely yours,

M. Sprengling, Chairman
