Sehr verehrter Herr Professor!

Pray accept my warm
thanks for the copy of your address in
memory of the much regretted Prof. Lethe.
You have expressed what all his pupils -
(and have not we all of us who are interested
in Egyptology - except you, his Teacher -
been his "pupils"?) feel about his learning
of his fame - and you tell us much that
many of us did not know of his fine
personal nature and life-history. And so
we have much to thank you for, in addition
to the immense debt we all owe to you & your
own great work in this field.

With hearty greetings, most respectfully and
Sincerely yours,

Herbert Thompson
