## American Journal of Archaeology

September 24, 1923

My dear Mrs. Williams:-

Please accept many thanks for the excellent notice of Erman's book. It will appear in Number 4 of this year's volume of the Journal.

I am glad to hear that your book is already in the press. Mrs. Whitmore, who gives a course here on the History of Furniture, was asking only the other day whether the book was out.

College opens with an appallingly large Freshman class, though the board of admission is making a serious attempt, I am glad to say, to restrict numbers.

With all good wishes,

Yours sincerely,

*Sidney N. Deane*
