4th July.

Dear Dr. Vaihinger.

I have been in California lecturing,
so I should have answered your postal card
sooner. I am much pleased with the
first instalment of the Kant Studien, and
will see what can be done about a notice of
it. The only men in Canada whom it
would be worth while to approach are:

Professor J. G. Hume, University College,
Toronto, Ont.

Professor William Clark, Trinity College,
Toronto, Ont.

Professor J. Clark Murray, Mc Gill College,
Montreal, Que.

Professor Murray, Dalhousie College, Halifax,
N.S.

W. D. Le Sueur, Ottawa, Ont.

With kindest regards.

Yours ever sincerely,

John Watson.
