Dear Sir:

I have the honor to acknowledge the receipt of your post card of Dec. 25th and also of the copy, which you are good enough to send, of the prospectus of Kant's Studien. I shall take a great interest in the matter, as I am carrying on some studies in this direction myself and have this year fifty or sixty students in the Kantian Philosophy.

Thinking you may not have seen it, I send you herewith a copy of an English version of the Dissertation of 1770, prepared by one of my students last year. I should be glad to assist your project in any way in my power.

Yours truly,

Nicholas Murray Butler
