My dear Professor Vaihinger

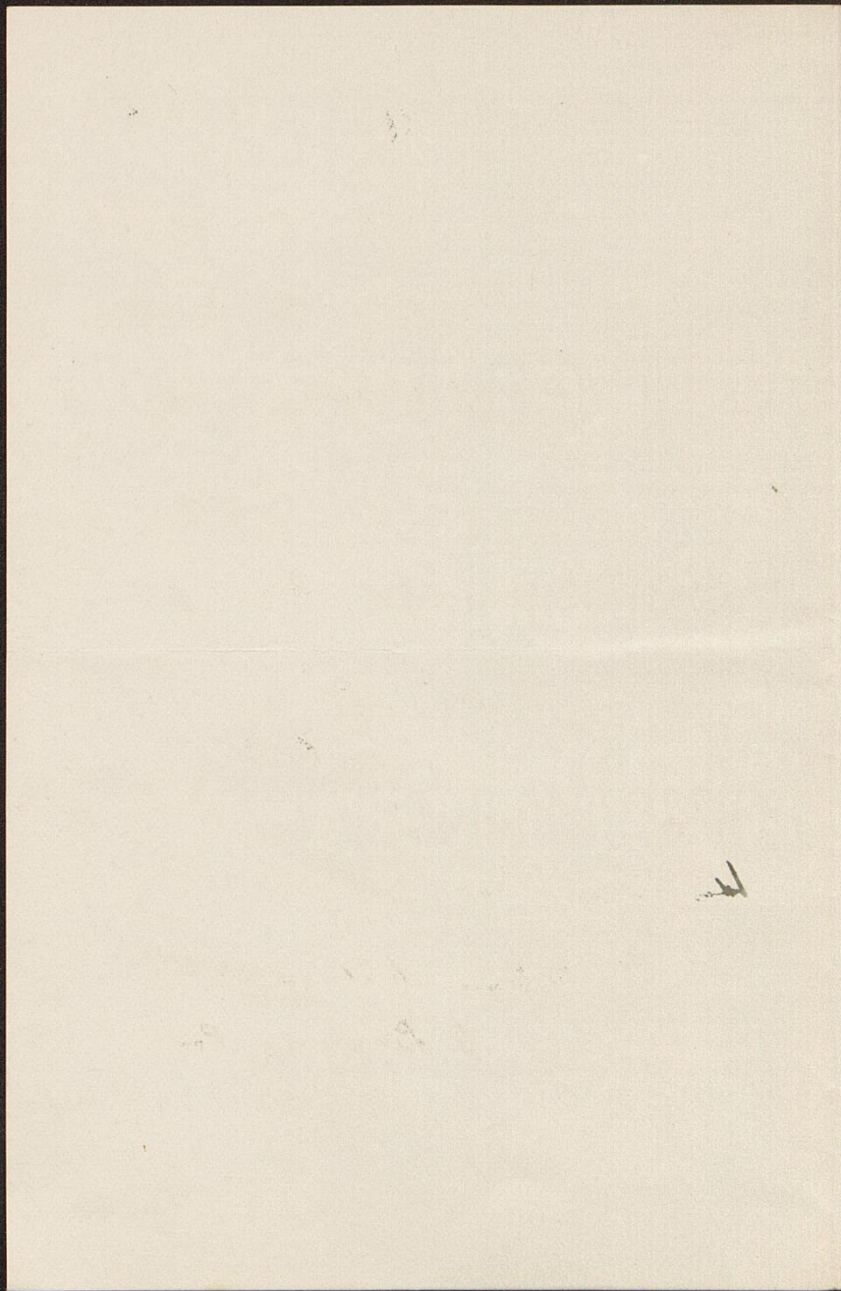

I have carefully
considered the question you put
to me, & I think but

Professor Wallace of Oxford would

be the best writer to give

you a ready account of

what is written upon Kant

in his country. I have
spoken to him about it, & find
that he is willing to undertake
it, if you put it in his
hands.

With much regard I am

Yours very truly

Edward Caird

His address is :-
